**EHS Design Hires Architect Bruce Lindeke**

SEATTLE, Wash., (September 30, 2009) – Bruce Lindeke joins EHS Design, Inc. as a project architect with 26 years experience.

Bruce is a licensed architect in the state of Washington and is a LEED® Accredited Professional. He has an extensive background in public, commercial, healthcare, non-profit, and residential projects. Bruce's project management, design, and construction management experience includes work for such clients as Washington Federal Savings, Benaroya Companies, Children's Hospital, Virginia Mason Medical Center, Swedish Medical Center, Safeco Field, SeaTac International Airport, State of Washington, and Port of Seattle.

Bruce Lindeke graduated *cum laude* from the University of Washington with a Bachelor of Arts degree in Architecture.

**About EHS Design**

EHS Design is a mid-size, full-service design and architecture firm headquartered in Seattle with projects and clients throughout North America. The 32-year old company provides architecture, interior design, strategic planning, programming, and space planning services for retail, corporate, public, and financial clients. For more information, please contact Jean Geiger at (206) 223-4999 x1259 or jgeiger@ehs-design.com. For additional information, please visit [www.ehs-design.com](http://www.ehs-design.com).
