EHS Design Hires Two Full-Time Staff

SEATTLE, Wash., (January 12, 2011) – EHS Design, Inc. recently added two employees to its architecture and interior design team roster.

Julie Koch, NCIDQ, LEED® AP ID+C joins EHS Design as a senior project manager with 31 years of interior design experience. Her many projects include federal and public aviation and transportation facilities as well as corporate offices and training centers. She is currently working on projects at the University of Washington, North Shore Credit Union, and Umpqua Bank. Julie earned a Bachelor of Arts in Professional Design with Interior Design Emphasis from Montana State University.

JULIE KOCH

Aaron Garrett comes to the firm as intern architect with five years experience. His current projects include South Hill Business & Technology Center in Puyallup and the Swedish Medical Center Cherry Hill campus. Aaron is a graduate of California Polytechnic University where he earned a Bachelor of Architecture degree.
